

Qualities to Look For When Hiring Home Care Workers

Different qualities are important to different people. Here are a few you might consider:

- ✓ **Punctual** – being on time
- ✓ **Dependable** – being on time consistently
- ✓ **Helpful** – willing to do things you request
- ✓ **Goal oriented** – wanting to get things done
- ✓ **Honest** – someone you can trust
- ✓ **Clean and neat** – keeps things picked up and sanitary
- ✓ **Takes direction** – not argumentative; open to your way of doing things
- ✓ **Communicative** – easy to talk with
- ✓ **Flexible** – can respond to realistic circumstances and changes
- ✓ **Patient** – doesn't get bothered if things take longer than expected

It will be difficult to find a person who possesses all these qualities, so think about which are most important to you.
